

# EXTERIOR STAIN

(Approved By Reston Association)

(get 10)

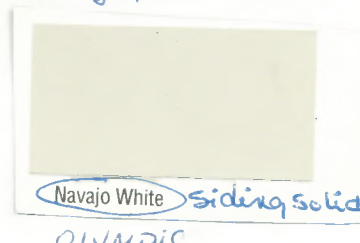

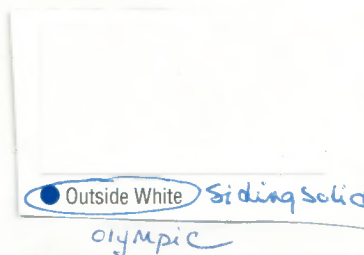

Transparents

Solids

Make Blue

Transparent is a special mix called:  
McBurnick Special Transparent Blue  
(Sample at Reston Assoc.)

● Indicates that color is available in Ready-Mix Alkyd/Latex formula.

**Important:** Semi-Transparent colors vary with wood species, color, grain and texture. To make sure you get the exact color you want, do a trial brushout first.

● Blue dot means

Approved by Reston Association
